

Engage your sellers to maximize their own home value through property staging!
The Property Stager Consultant Certification is Exclusive to Real Estate Agents.
Provide sellers with the tools they need.

You are formally invited to the
Professional Property Stager REA Certification
at Lake & Geauga Area Association of Realtors,
on February 21st, 2019.

Not Sure How You'd Use Staging For Your Business?

Every realtor understands how hard it can be to sell a home, especially one that is not "move-in ready." It's not all about the location, price, and exterior; potential buyers want to see what their home will look like before they move in. This is where property staging comes in.
